¹ The court's February 27, 2012 order on Microsoft's motion for partial summary judgment granted in part and denied in part the motion. (*See* Order.) Since then, the court has permitted additional summary judgment motions (*See* Dkt. # 194) on the issues raised by both parties in the briefing related to Microsoft's motion for summary judgment. This additional briefing has provided the parties ample opportunity to place all documentation before the court.
